A Proposed Road.

A proposed wagon road to be made between Hazel Green and Helechawa. The proposed road shall be a good, smooth, graded wagon-road to extend from the corner of John M. Rose & Sons' store, on Main Street, Hazel Green, and extend to the river at Neola.

The road throughout from beginning to end shall be graded up in an oval shape, and of sufficient height to drain well; It shall have a ditch on either side sufficient to receive the water from the road, and that which may flow in from the outside; These ditches shall be so made that they will readily drain all water from the road-way.

The tops of hills and high places shall be cut down as far as practical and the dirt deposited in the low places.

Culverts and bridges made of good timbers, covered with good two inch oak planks shall be placed across the road at intervals; These culverts and bridges shall be 16 feet in length, and of sufficient number and size to conduct the water from the road-way.

Rocky hill will be made smooth with an even rise, and broadened so that teams can pass on it. If in event the County should open up a new road around Rocky hill the Road company will make said new road, same as specified above for the other part of the road instead of the abandoned part.

The same kind of work will be done on the Daysboro hill as on the Rocky hill, or in the event a new road should be opened up around the hill, the said new road will be graded up the same as specified for the other part of the road.

The Road Co. shall keep the road in condition and repair for one year after the completion of said road.

Work shall be begun on the road as soon as sufficient funds are pledged to insure the amount necessary for the completion of the said road.

Twenty-five per cent. of the amount pledged towards the making of such a road shall be paid to the Road Co. upon the completion of one half the work, 50% of the amount pledged shall be paid upon the completion of the road, and the remainder, one year from the date of the completion of the road.

He Advertised.

And it came to pass that after he had advertised his goods, there came unto him great multitudes from all the regions round about and did buy of him. And when his competitors saw it they marvelled among themselves, saying: "How be it that this man is busy while we loaf idly about our doors all day?" And he spake unto them saying: In this fast age of push and rustle, it is easier for a camel to enter the eye of a needle than for a man to flourish in business without advertising.

Bent Little, who has been in the U. S. coast artillery for some years was discharged a few weeks since and started for home. But he was taken suddenly ill at Cincinnati and is now there in the hospital, though he expects to be home in a few days.

Rev. H. J. Derthick and family returned Friday from Ann Arbor, Mich., where they have been spending the summer.

A Card.

To the Voters of Wolfe County:

Having been solicited by Democrats from the different precincts of the county to make the race for Sheriff for the next term, I take this method of announcing myself a candidate for said office subject to the will and action of the Democratic primary to be held some time in 1908. This is the first time that I have ever announced as a candidate for any office, but ever since I became twenty-one years of age have been found in the ranks of the party fighting for the success of the principles of the party, which are dear to the heart of every true Democrat, and when the nominees have been selected by the party I have spent both my time and money in securing their election. I ask all voters to consider my candidacy, and if I am nominated and elected I will devote my time and attention to the duties of said office, and that the door of said office will be open during all business hours of the day to transact any business that may come to said office. Soliciting your support, and with best wishes for the "Great Common People," I remain yours, for success,

D. C. Miller, Jr., has again concluded to extend his cut price sale for another week, and requests us to so announce. The ad is left out this week but same prices will run as heretofore.

Several of our friends have inquired of us where they could buy a small blue grass farm and we now have it. Read the ad "For Sale," and write or call on Mr. Pigg at Athens, Ky., at once, as this won't stay on the market any longer than Pat stayed in the army.

Thousands Have Kidney Trouble and Never Suspect it.

Prevalence of Kidney Disease. Most people do not realize the alarming increase and remarkable prevalence of kidney disease.

While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Neuralgia And Other Pain.

All pain in any disease is nerve pain, the result of a turbulent condition of the nerves.

The stabbing, lacerating, darting, burning, agonizing pain that comes from the prominent nerve branches, or sensory nerves, is neuralgia, and is the "big brother" of all the other pains.

Dr. Miles' Anti-Pain Pills rarely ever fail to relieve these pains by soothing these larger nerves, and restoring their tranquility.

Dr. Miles' Anti-Pain Pills leave no bad after-effects, and are a reliable remedy for every kind of pain, such as headache, backache, stomachache, sciatica, rheumatism and neuralgia.

They also relieve Dizziness, Sleeplessness, Nervousness, Car-Sickness, and Distress after eating.

"For many years I have been a constant sufferer from neuralgia and headache, and have never been able to obtain any relief from various headache powders and capsules, until I tried Dr. Miles' Anti-Pain Pills. They always cure my headache in five minutes time." FRED R. SWINGLEY, Cashier 1st Nat. Bank, Atkinson, Neb. Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk.
